

- Are your customers asking you to send documents electronically?
- Would you like to reduce your mailing costs?
- Would you like to fax documents (e.g., Purchase Orders, Invoices, Statements, Expense Reports, etc.) to your customers **directly from your iSeries (AS/400) machine...** rather than standing in line at the fax machine?

Now you can... with ACOM's **EZeDocs/400 Fax** solution! EZeDocs/400 Fax software enables you to fax any iSeries (AS/400) form or document, directly from your iSeries (AS/400) machine, without the use of a PC or fax machine!

When used in conjunction with EZeDocs/400 eForms, the EZeDocs/400 Fax Module enables you to distribute documents via print or fax with a simple set-up that is transparent to all end users.

Benefits of Faxing Versus Mailing:

- **Reduced mailing costs...** no postage, envelopes, pre-printed forms, or mailing labels required.
- **Reduced labor costs...** employees save time by faxing documents (versus printing, inserting, stamping & mailing).
- **Meet customer needs...** many companies prefer to receive documents electronically, instead of mail.

Benefits of Sending Faxes Directly from iSeries (AS/400):

- **Reduced supplies costs...** no fax machine, ink cartridges, fax maintenance, or paper required.
- **Reduced labor costs...** employees save time by faxing from iSeries (AS/400) machine... versus walking to fax machine and waiting.
- **Increased efficiency...** employees can access previously sent faxes via the iSeries (AS/400) database... no more "lost" faxes.
- **Increased profitability...** return on investment within *months!* After breakeven, dollars go directly to the bottom line!
